Dear volunteers at Gateway Civil Liberty Alliance:

On behalf of the NRA and gun rights supporters across America, we would like to thank you for your tireless efforts throughout the 2018 campaign season.

Working with your NRA-ILA Campaign Field Representative demonstrated your unique dedication to the mission of NRA-ILA in advocating for pro-Second Amendment candidates for office. Your CFR, Chris Brown, recommended that you be specifically recognized for your efforts in Missouri. As a small token of our appreciation, please find the enclosed certificate recognizing your outstanding efforts.

Whether you represented our organization at events, contacted voters in support of our NRA-PVF endorsed candidates, and everything else in between, we owe you a debt of gratitude!

We hope to continue to work with you in the future in support our efforts to strengthen the Second Amendment in Missouri. While Election Day 2018 has come and gone, the fight is far from over. **Below is the contact information for your Missouri Grassroots Field Coordinator, who we encourage you to contact to find out how you can stay involved as we move into the New Year. In the new political environment, we simply cannot succeed without your continued activism.**

Once again, thank you for your active, ongoing commitment to preserving and protecting the Second Amendment.

Yours in freedom,

Glen Caroline, Director  
NRA-ILA Grassroots Programs &  
Campaign Field Operations Division
